EDUCATION

**INTERNATIONAL INSTITUTE
OF INFORMATION
TECHNOLOGY HYDERABAD**
BTECH IN COMPUTER SCIENCE,
MS BY RESEARCH IN
COMPUTATIONAL
NATURAL SCIENCES
Expected May 2027
Cumulative GPA - 9.28 / 10

**DELHI PUBLIC SCHOOL
RK PURAM**

Grad. May 2022 | New Delhi, India

COURSEWORK

- Data Structures and Algorithms
- Statistical Methods in AI
- Responsible & Safe AI
- Algorithm Analysis & Design
- Design & Analysis of Software
- Technical Product Entrepreneurship
- Probability & Random Processes
- Linear Algebra

SKILLS

C++ • C • Python • Julia • Assembly
VimScript • Javascript • MySQL
LaTeX • Lua • PyTorch • React

TOOLING

Bash Scripting • SLURM and HPC
Unix/Linux • Git • Docker

AWARDS

- | | |
|---------|--|
| 2022-24 | Dean's List
(top 5% students) |
| 2021 | KVPY SA Research Fellowship Scholar |
| 2021 | QCEC Silver Medal |
| 2020 | Indian National Mathematical Olympiad (INMO) Finalist |
| 2019 | A Star Youth Research Scholarship (Among 3 Indian awardees) |
| 2019 | Trinity Rock and Pop Grade 7 Drums Distinction (top 10%) |

PROJECTS

TAPAS

- Ideated, designed, and built **Tapas** — a mobile-first MVP to inspire **spirituality in young users** through AI-powered interactive content.
- Used **Retrieval-Augmented Generation (RAG)** and **chain-of-thought prompting** to generate personalized quizzes and reflections.
- Tested a **keyframe-to-video generation** pipeline to convert structured prompts into immersive visual storytelling.
- Designed a modular architecture using **React** and **Expo**, enabling scalable deployment and future integration of features like **pronunciation feedback**.
- Placed 3rd among 50+ teams in IIIT-H's **E-Cell Startup Aid Hackathon** and pitched with the **CIE Incubator** during IIITH's annual R&D Showcase.

NETWORK FILE SYSTEM

- Developed a **POSIX-compliant distributed NFS** in C.
- Leveraged LRU caching to achieve **sub millisecond path resolution**.
- Implemented **dynamic TCP-based storage** servers featuring **asynchronous write buffering**, **non-blocking I/O**, and **data replication** across nodes for **low-latency fault tolerance**.

CORRECTIVE MACHINE UNLEARNING FOR MRI RECONSTRUCTION

- Built an unlearning pipeline for MRI reconstruction using techniques like **Selective Synaptic Dampening** and **Gradient Ascent** to mitigate the impact of poisoned samples without full retraining.
- Achieved up to **90% retraining cost savings** while preserving reconstruction quality on open-source MRI datasets augmented with CycleGAN-based semantic artefacts. *Awaiting Rebuttals in MICCAI Emerge MSB 2025.*

WORK EXPERIENCE

CART GENIE FULL-STACK DEVELOPER INTERN

- Worked with a team to develop a B2C delivery tracking app for platforms like **Amazon** and **Flipkart** using **Flutter**, **Node.js**, and **MongoDB**, with **Twilio API** integration for SMS/WhatsApp notifications and authentication.
- Deployed a functional **APK build** for internal testing, enabling early feedback and iteration.

RESEARCH ASSISTANT LN²D LAB, CCNSB IIITH

- Served as Research Assistant advised by *Prof. Chittaranjan Hens* at the Center for **Computational Natural Sciences and Bioinformatics**.
- Currently working on applying Machine Learning Techniques in the domain of complex adaptive systems, networks and NLD.

TEACHING ASSISTANT

- TA under *Prof. Shantanav Chakraborty* for **Discrete Mathematics M'24** and *Prof. Kshitij Gajjar* for **Data Structures and Algorithms S'25**.
- Prepared and Evaluated Problem sets, quizzes and assignments for a batch of 400+ students.

LEADERSHIP EXPERIENCE

THEORY GROUP, IIITH COORDINATOR

- Organized IIIT-H's college round of **The Integral Cup** by **Optiver**. Secured **2nd place** in **TheDeccanCTF** representing TRG, among 50+ teams.
- Initiated and led reading groups on **Quantum Physics**, **Cats4AI** etc.

THE MUSIC CLUB, IIITH COORDINATOR

Feb 2024 - May 2025

- End-to-end logistics and performances in intra and inter-college music events with audiences of up to 500 people.

PING! - IIITH STUDENT MEDIA BODY CHIEF EDITOR

Jan 2025 - Ongoing

- Overall coordinator for Social Media Marketing, Design, Article Editing Pipeline and Campus Affairs.
